

## Dave Tanner's ProSession Master Songlist

### GOOD TIME MUSIC And ROCK 'N ROLL!

Listed below are over 225 songs, enough for 12 hours of non-stop, non-repeated Classic Rock, Swing, Country, and more. (On a typical 4-hour evening, you may expect your band to play 65 – 75 tunes.) But even this is not really a “complete” listing of all the songs available to you. We add new selections weekly, and also occasionally work in old favorites we may have “rested” for a while.

So, even if you don't find your favorite song on this list, we could already know it. And, if not, we may be able to learn it in time for your event.
